

## ASDUO55AH

### Hydraulic Nut Splitters, Angle Head Duo Set, 1-1/4 - 1-1/2 in and 1-3/8 - 1-3/4 in

#### PRODUCT DETAILS

- Set includes 1-1/4" - 1-1/2" and 1-3/8" - 1-3/4" Angle Head Hydraulic Nut Splitters.
- Cuts through the largest frozen nuts in just seconds
- One cut frees even the most corroded nuts so it can be turned
- Cutting chisel is easily calibrated so only the nuts is cut with no damage to the bolt or stud threads
- Fast set-up; goes from toolbox to ready-to-use in less than five minutes
- Reduces danger to operator or nearby equipment
- Chisels suitable for dozens of cuts before resharpener is needed
- Angle Head includes 2 nuts splitters
