

ASDUO25DC

Hydraulic Nut Splitters, Standard Double Cutting Duo Set AS105DC- AS200DC

PRODUCT DETAILS

- Set includes 5/16" - 3/4" and 7/8" - 1-1/8" Double Cutting Hydraulic Nut Splitters.
- Cuts through the largest frozen nuts in just seconds
- One cut frees even the most corroded nuts so it can be turned
- Cutting chisel is easily calibrated so only the nuts is cut with no damage to the bolt or stud threads
- Fast set-up; goes from toolbox to ready-to-use in less than five minutes
- Reduces danger to operator or nearby equipment
- Chisels suitable for dozens of cuts before resharpener is needed
- Double cutting includes 2 nuts splitters
