

AS404DC

## Hydraulic Nut Splitter-Double Cutting Standard, 2-3/4 - 3-1/4 in

### PRODUCT DETAILS

- Cuts through the largest frozen nuts in just seconds
- One cut frees even the most corroded nuts so it can be turned
- Cutting chisel is easily calibrated so only the nuts is cut with no damage to the bolt or stud threads
- Fast set-up; goes from toolbox to ready-to-use in less than five minutes
- Reduces danger to operator or nearby equipment
- Chisels suitable for dozens of cuts before resharping is needed
- Double cutting, double acting
